Hello Dear Reader,

You are obviously curious about or have an interest in the arts, or you would not be reading this leaflet. Perhaps you're already a practising artist, or maybe you wish you were. Perhaps you're a "dabbler" in many art forms, and looking for the company of like-minded souls. Or maybe you're reading this because you simply enjoy the written word.

Whatever your reason, we welcome you. Here at Corangamite Arts, we think of ART in very broad terms. For us, ART is everywhere — in architecture, *textiles*, furniture design, *books*, photography, *gardening*, cooking, *music*, stone-walling, *painting*, dance, *toolmaking*, carpentry.....the list is long and fruitful.

We are a *volunteer* community organisation based in Corangamite Shire. We initiate and manage local cultural development projects because we believe that active participation in the arts contributes to personal and community vitality, strength and well-being.

We aim to foster community development through place-centred arts and cultural projects and to assist local artists and craftspeople - professional or amateur - to further their interest and skills.

We invite you to join us.
